

The Investment Migration Forum

3rd – 6th June 2019, Grand Hotel Kempinski Geneva, Switzerland

The must-attend specialised global gathering for the investment migration industry. Renowned academics, government officials, representatives of international organisations, as well as the world's leading professionals will be gathering once again in Geneva for an exceptional forum. Be part of this unique environment to network and hear first-hand valuable insights from visionary experts.

Programme Highlights

- Trials and Tribulations for obtaining Residency / Citizenship
- Technology and its Future Implications
- Ethics, Justice & Global Access
- Improving Press and Media's Impact on the Industry
- What Role does Government Play in the Industry?
- Digitalization: e-Commerce, Blockchain
- Impact of CBI Programmes on Emerging Countries
- Government & International Regulator Panel Session
